REACH VIRTUALLY EVERY VERIFIED ADDRESS IN THE USA AT THE POSTAL SERVICES' BEST RATES

The Redi-Data Occupant database contains virtually every verifiable U.S. address, without addressees' names, making it ideal for saturating an area with your message for maximum reach. Our Occupant Lists use the most technologically advanced platform available, to deliver residential addresses as well as businesses, rural addresses and P.O. boxes.

We update our database monthly with the USPS, making it one of the most current, deliverable mailing lists available.
