OVER 163 MILLION OCCUPANT POSTAL ADDRESSES

DESCRIPTION:

According to the USPS, there are more than 148 million delivery points in the country. The Redi-Data Occupant database contains virtually each of these verifiable US addresses, without addressees' names, making it ideal for saturating an area with your message for maximum reach. Using the most technologically advanced platform available, our occupant lists deliver residential addresses as well as businesses, rural addresses and PO boxes.

REDI-OCCUPANT PLUS

In addition to our best-in-class Occupant Lists, Redi-Data offers Redi-Occupant Plus. For just pennies per address, append the first and last names to most addresses—adding the vital personal touch to get consumers' attention.

FEATURES:

- Best value in the industry
- Most cost-effective way to mail to every US household, or saturate the area you choose
- Order addresses by Carrier Route, ZIP, County or State
- Data Professionals help customize your list, free of charge
- Unrivaled service, list orders turned around in as fast as 2 hours
- Customizable by geography, ZIP code, radius and more
