OUR SPECIALTY

FOR OVER 20 YEARS...

Redi-Data has empowered businesses to win new customers with some of the most unique and innovative solutions in the data industry. Redi-Data's extensive databases include records on over

- **200 million** consumers
- 112 million households
- 17 million businesses
- **One million** healthcare professionals

DATA DELIVERED IN A HEARTBEAT

Using Redi-Data's proprietary Redi-Counts platform and online search tool, our data professionals work closely with clients to customize lists based on hundreds of criteria and deliver new leads in as fast as a few minutes.

WITHOUT ACCURATE DATA, YOU'RE NOT REDI

Redi-Data offers a full line of data services. With our healthcare, consumer and business data append, we match clients' lists to our databases to add hundreds of data characteristics to their existing prospect and customer lists. We also offer complete list hygiene and data enhancements, including the most crucial list services, such as National Change of Address, Delivery Sequence File, Delivery Point Validation, address correction, phone and email append and more.

Redi-Data's Redi-Connect® provides real-time lead verification and data enhancement solutions for contact centers. With as little information as a phone number, Redi-Connect can identify your customers' name and address information in milliseconds, as well as instantly deliver hundreds of data characteristics, such as demographics, buying habits, financial information and more.

INFINITE SOLUTIONS FOR ALL YOUR BUSINESS NEEDS

In addition to data and data services, we provide multi-channeled marketing solutions, such as web development and hosting, digital printing, email deployment, direct mail and fulfillment, through Redi-Data and the Redi-Direct companies. Coupled with our unparalleled customer service, you won't find a more comprehensive package of data and marketing solutions at a better value anywhere else.
