

Power up your marketing campaigns with Redi-Data Digital[®], our solution to digital identity, enabling you to target Healthcare Providers (HCPs) online with precision and scale. By mapping our offline database of healthcare providers with LiveRamp's identity graphs, you can reach this specialized audience when and where they are online; whether it is through social media, programmatic, mobile, search, television and more.

With access to over 14 million tried and true HCP records, Redi-Data Digital[®] offers robust layers of multi-dimensional data to grow your omnichannel marketing and to enhance relationships, satisfaction, retention and revenue.

Set yourself on the right track and achieve your goals by leveraging the power of our 500+ “ready to launch” HCP segments, targeting Physicians, Dentists, Nurse Practitioners, Physician Assistants, Pharmacists, Nurses, Social Workers and more.

BENEFITS OF ACTIVATING REDI-DATA DIGITAL[®] SEGMENTS VIA LIVERAMP

Utilizing Redi-Data Digital[®] will allow you to:
